\* **CERTIFICATION FOR NIMAS ELIGIBILITY (Competent Authority)**

*In cases of Blindness, Visual Impairment, or Physical disability, certifying authorities include doctors of medicine or osteopathy, ophthalmologists, optometrists, registered nurses, nurse practitioners, physician assistants, therapists, professional staff of hospitals, institutions, and public agencies (e.g., AEA support and related service personnel, teachers of the visually impaired, social workers, counselors, or rehabilitation teachers). In the absence of any of these, certification may be made by professional librarians or by any person whose competence under special circumstances is acceptable to the Library of Congress. In the case of a Reading Disability from an organic dysfunction, the certifying authority must be a doctor of medicine or osteopathy, who may consult with colleagues in associated disciplines.*
